About SHC Global Trade

Established in January 2024, **SHC Global Trade** is a dynamic merchant export company headquartered in Surat, Gujarat, India. We specialize in sourcing and exporting the finest quality agricultural commodities to markets worldwide.

Founded by **Mr. Kaushik Pathak**, our company is built on the core values of integrity, transparency, and strict adherence to global quality standards. We act as your trusted partner on the ground in India, bridging the gap between local farmers and international buyers.

Our Core Values

- **Quality First:** Rigorous quality checks at every stage of sourcing and packaging
- **Transparency:** Clear communication and honest business practices
- **Reliability:** Timely delivery and consistent product standards
- **Global Standards:** Full compliance with international food safety regulations
- **Farmer Partnerships:** Fair trade practices with local agricultural communities

Strategic Advantages

- **Location:** Surat, Gujarat - close proximity to major ports (Nhava Sheva, Mundra)
- **Port Registrations:** Complete port clearance and customs documentation support

- **Cold Chain:** Temperature-controlled storage and transportation for perishables
- **Certifications:** APEDA, IEC, GST registered with full export compliance
- **Experience:** Founded by professionals with 14+ years in agricultural trade

Export Process & Logistics

Step-by-Step Export Flow

STEP 1: INQUIRY & QUOTATION

Share requirements → Receive detailed quotation with specifications, pricing, and terms within 24-48 hours

STEP 2: ORDER CONFIRMATION

Purchase order → Proforma invoice → Advance payment (as per agreed terms)

STEP 3: SOURCING & QUALITY CHECK

Product sourcing from certified suppliers → Pre-shipment quality inspection → Sample sharing (if requested)

STEP 4: PROCESSING & PACKAGING

Cleaning, grading, and packaging as per specifications → Labeling and documentation

STEP 5: EXPORT DOCUMENTATION

Commercial invoice, packing list, Bill of Lading, Certificate of Origin, Phytosanitary certificate (for perishables)

STEP 6: SHIPPING & CLEARANCE

Port clearance → Container loading → Shipping as per Incoterms → Tracking details shared

STEP 7: DELIVERY & SUPPORT

Destination port arrival → Document courier → Post-delivery support

Shipping Ports

- **Primary:** Mundra Port (Gujarat) - 150 km from Surat
- **Secondary:** Nhava Sheva (Mumbai) - 280 km from Surat
- **Air Freight:** Available from Mumbai and Ahmedabad for urgent/perishable shipments

Payment Terms

- **Standard:** 30-50% advance, balance against copy of shipping documents
- **LC Terms:** 100% Irrevocable Letter of Credit at sight
- **CAD/TT:** Cash Against Documents / Telegraphic Transfer
- **Credit Terms:** Available for established buyers (subject to credit approval)

Incoterms Offered

- **FOB (Free On Board):** Most common - buyer arranges freight
- **CIF (Cost, Insurance, Freight):** Door-to-port delivery
- **CNF (Cost & Freight):** Without insurance
- **CFR (Cost and Freight):** Similar to CNF
- **Ex-Works:** Pickup from our facility in Surat

Minimum Order Quantities (MOQ)

Product Category	Minimum Order	Container Size
Basmati Rice	20 MT (20,000 Kg)	20' or 40' Container
Green Chillies	5 MT (5,000 Kg)	20' Reefer Container
Fresh Bananas	18 MT (18,000 Kg)	40' Reefer Container

* Lower quantities may be considered for trial orders. Mixed container loads available.

Lead Times

- **Basmati Rice:** 7-14 days from order confirmation
- **Green Chillies:** 5-10 days (subject to seasonal availability)
- **Fresh Bananas:** 10-15 days from order

Quality Assurance & Standards

Our Quality Promise

At SHC Global Trade, quality is not negotiable. We implement rigorous quality control measures at every stage—from farm selection to final shipment. Our commitment ensures that you receive products that meet or exceed international standards.

Quality Control Process

1. Supplier Selection & Audits

- Partnership only with certified farms and mills
- Regular supplier audits and farm visits
- GAP (Good Agricultural Practices) verification
- Traceability system from farm to export

2. Pre-Procurement Testing

- Physical inspection for size, color, and appearance
- Moisture content analysis
- Pesticide residue testing (for fresh produce)
- Microbiological testing where applicable

3. Processing Standards

- HACCP compliant processing facilities
- Cleaning, sorting, and grading protocols
- Temperature-controlled storage
- Hygiene and sanitation standards

4. Pre-Shipment Inspection

- Final quality check before packaging
- Third-party inspection available (SGS, Bureau Veritas)
- Sample retention for future reference
- Documentation of quality parameters

Compliance Standards

- **FSSAI:** Food Safety and Standards Authority of India compliance
- **APEDA:** Agricultural export quality norms
- **ISO 22000:** Food safety management system
- **HACCP:** Hazard Analysis and Critical Control Points
- **GMP:** Good Manufacturing Practices
- **Codex Alimentarius:** International food standards

Why Source from India?

India: The Agricultural Powerhouse

India is one of the world's largest producers and exporters of agricultural commodities. With diverse agro-climatic zones, rich soil, and a strong farming tradition spanning millennia, India offers unmatched quality and variety in agricultural products.

India's Export Strengths

1. Basmati Rice

- **Global Leader:** India exports 4+ million tonnes of Basmati annually
- **GI Tag:** Basmati rice has Geographical Indication protection
- **Premium Quality:** Grown in specific regions with ideal soil and climate
- **Top Markets:** Middle East (70%), Europe, USA
- **Unique Advantage:** Traditional aging process unmatched globally

2. Green Chillies

- **Production:** India produces 1.5+ million tonnes annually
- **Varieties:** Over 50 cultivated varieties for diverse markets
- **Quality:** High capsaicin content, vibrant color, strong aroma
- **Year-Round:** Multiple growing seasons ensure availability
- **Andhra Pradesh:** Largest producer, known for premium quality

3. Bananas

- **Volume:** India is the world's largest banana producer (30+ million tonnes)
- **Varieties:** Cavendish and Grand Naine dominate export markets
- **Growing Regions:** Maharashtra, Tamil Nadu, Gujarat
- **Quality:** Excellent taste, extended shelf life, uniform sizing
- **Export Growth:** Increasing demand from Middle East and Asia

Competitive Advantages

- **Cost-Effective:** Competitive pricing without compromising quality
- **Scalability:** Large production volumes can meet bulk orders
- **Quality Standards:** Stringent export regulations ensure compliance
- **Logistics:** Well-connected ports with efficient cold chain
- **Government Support:** APEDA and export incentive schemes
- **Traceability:** Farm-to-fork tracking systems

Gujarat's Strategic Location

Our base in **Surat, Gujarat** offers unmatched logistical advantages:

- **Proximity to Ports:** Mundra (150 km), Nhava Sheva (280 km)
- **Connectivity:** National highways, dedicated freight corridors
- **Infrastructure:** Modern warehousing, cold storage facilities
- **Business Hub:** Established trading community and support services
- **Time Efficiency:** Quick port clearance and reduced transit times

Let's Start Exporting Together

Thank you for considering SHC Global Trade as your sourcing partner from India. We are committed to building long-term relationships based on trust, quality, and mutual growth. Whether you're looking for a trial order or establishing a regular supply chain, we're here to support you.
